Virtual Get Fit in May 5K. It's a 5K your way!

Exeter, NH – The Exeter Elementary Parent Teacher Organization (PTO) is excited to announce the launch of its first virtual 5K. They will host this year's 23rd Annual Exeter Elementary PTO Get Fit in May 5K between Sunday, May 16 and May 23, 2021. The Exeter elementary PTO, in conjunction with its founding and platinum sponsor Access Sports Medicine & Orthopaedics, strongly feel this virtual event will bring the community together in a safe way and allow more families to participate across the country, or even around the world!

Participants may complete the 5K at any time, at any location between Sunday, May 16 and May 23, 2021. They can take as much time as needed and can complete the 5K all at once or break it up over the course of the week. It's a 5K their way: walk, run, bike, hike, scooter, skateboard and more...all for a great cause.

Registration is live on the Get Fit in May 5K website www.getfitinmay.com. Entry fees are \$30 for adults (ages 19 and older) and \$15 for students (ages 18 and under). Participants who register by 11:59 pm on April 20, 2021 ET will be guaranteed a t-shirt. Proceeds benefit Exeter's Developmental Preschool (EDP), Main Street School (MSS - Kindergarten to 2nd grades), and Lincoln Street School (LSS - 3rd to 5th grades).

The Exeter Elementary PTO could not host the Get Fit in May 5K without the generosity of its sponsors:
