### Exeter PTO's Get Fit in May 5K Runs its 25th Anniversary Race on May 20

The largest annual community fundraiser to benefit Exeter public elementary schools, the Get Fit in May 5K, will once again depart from Lincoln Street School, in Exeter, NH, on May 20, with a kids fun run at 8:30 a.m. and the traditional 5K beginning at 9:30 a.m. This year marks the 25th anniversary of an event that annually draws hundreds of walkers and runners and dozens of volunteers and sponsors — all in support of the Exeter Elementary PTO.

Registration and race details can be found at [www.getfitinmay.com](http://www.getfitinmay.com).

All race proceeds benefit Exeter's Developmental Preschool, Main Street School, and Lincoln Street School. The revenue provides critical funding outside of the schools' budgets for programs and initiatives that impact every enrolled student, including: classroom technology, field trip subsidy and transportation, teacher classroom supplies, flexible seating for children in the classrooms, the Student Council, playground equipment, staff appreciation events, grade-specific educational events, and more.

The Get Fit in May 5K truly is a community event made possible each year by the generous support of area business and organizations, including the following 2023 sponsors:

- **Platinum:** Access Sports Medicine & Orthopedics, Riverwoods Exeter, Primrose School of Exeter
- **Gold Sponsor:** Karate International
- **Silver Sponsors:** Ability Allies; Atlantic Plastic Surgery; Compass; D.F. Richard; Exeter Pediatric Dentistry; Service Credit Union
- **Bronze Sponsors:** Comfort Baking Company; Donahue, Tucker, and Ciandella; Exeter Bowling Lanes; Great Bay Athletic Club; Laney and Lu; Las Olas; Southern District YMCA; Students Love Travel
- **Friends:** Alysia Hare State Farm; Cymbidium; Exeter Lumber; Exeter Run Club; George and Phillips; Great Bay Kids; Junior Gym; Newfields General Store; Phillips Exeter Academy; Puddlejumpers; Water Street Bookstore

"We are thrilled to be back exclusively in-person this year, and hope to see lots of smiling faces this May," says Race Director Sarah Slocum. The race committee is grateful for the community-wide effort involved in creating such a memorable event for Exeter area families for the past 25 years, one that provides such impactful resources for the area's public elementary school children and teachers.
